My parents live next door to this hot MILF-type lady who's recently divorced. A few weeks ago, she invited me over for an afternoon swim. I was over there in like, a second, 'cause they have an awesome house and backyard pool area. After some swimming we laid on some sunchairs and I felt my neighbor staring at my tits. "Gosh, you sure look sexy in that swimsuit," she purred as she led me indoors. "Come on, I want you to try something." I was kind of turned on watching her mature womanly body strut in front of me.

Once we got to her bedroom she turned and pressed her body against mine and kissed me full deep and long on the mouth. Her hands dove into my bikini bottoms and she fingered my shaved puss as her other hand gripped my ass tight. This was my first girl-on-girl experience and I was loving it! My slit was dripping wet and before I could even put my tongue on her nipples, I was cumming all over her hands! I still dig guys, but nobody can make me cum as good as she does.

Jeny Baby discovered that the hottest slut lives right next door!

BUDDING EXHIBITIONIST!

When my boyfriend Tim and I went to see that new horror movie everyone was raving about, the theater was packed, so we took a single in the back corner and I sat in his lap. I wriggled around to get comfortable, and when Tim pulled me back against him, I felt his cock hardening beneath me. All that wriggling pushed my skirt

out of the way so there was nothing but a little lacy thong between us. A guy was sitting right next to us, though, so I figured we'd just watch the movie.

Then Tim pulled my legs apart so they dangled down next to his and pulled my skirt up over my thighs. When his hand cupped my pussy, I hoped the other guy would think my whimper was a reaction to the movie, but when I checked, he was watching everything! My face was so hot, but it was such a turn-on! I circled my ass against Tim's hard cock and pushed my pussy against his hand. My thighs were totally bare, and Tim tugged aside that thin strip of lace to expose everything. He started fingering my clit while I stared at the other guy. I've never been so turned on in my life!

When Tim murmured he wanted to fuck me, there and then, I didn't even think of saying no. We'd done a lot of heavy petting in the five months we'd been dating, but never went all the way because I'd never done it before. When Tim pushed me forward so he

could open his jeans, I could hardly wait to feel it inside me!

"You ready for this, Cassi?" Tim lifted me so his cock slid right down to my opening. I moaned loudly as the tip entered my tight hole. He lowered me a little more, thrusting up a little. I cried out again as his big cock stretched my pussy. It felt so good, I just couldn't wait any more and pushed down to meet his thrust, so his cock filled me completely! It was tight, but not enough to make me want to stop!

He pulled me back against him, and started thrusting up into me again and again. He looked over at the guy next to us, then whispered, "I bet if I asked him, he'd fuck your ass. Would you like that? Two cocks at once?" Tim's finger slid down the crack of my ass to press against my rosebud. I went off like a rocket! Hopefully, my cries blended with everyone else's, so no one but the guy watching knew what was happening.

Tim kept fucking me slowly until the end of the movie, and I came about four more times before he did just as the credits rolled. When I came back to the lobby after washing up, I saw Tim talking to that other guy. I know he was planning something, and I can hardly wait to find out what it is!

SEX ED!

My friend Mika and I were both getting C's in Human Sexuality. How embarrassing is that? We're both still technically virgins, but it's not like we haven't been exploring! Anyway, we could get extra credit by buying something in an adult story, and more for writing a review about using it. It seemed like an easy A, right? They made

us prove we were both 18 to get in — I'm not very tall, with long blond hair and 34A breasts and Mika's even shorter than me, with dark hair and honey-colored skin, so I guess we look pretty young.

It was kind of embarrassing but a turn-on, too, looking at all those dildos, vibrators, colored condoms, and even edible panties! I picked a little pink dildo shaped like a cock, blushing like crazy at the thought of actually using it. Then Mika picked a porn DVD! I just about died when she told me I could use the dildo while we watched; like I'd ever do that!

That night, we got ready for bed, me in a long white t-shirt so thin you could see my nipples, and Mika in a pink camisole and panties. She popped the DVD into her laptop and told me not to forget the dildo so I could use it while I watched. As if!

I didn't really expect to like the movie, but my pussy got wetter and wetter as we watched some guy's cock thrusting into a girl from behind. Mika was squirming, and her nips were poking out against her camisole. I just stared at the screen, getting more and more aroused. Then Mika's hand slid up the inside of my thigh, making me whimper when her fingertip grazed my clit.

"Spread your legs," she whispered. I looked at her, kinda shocked, but I let my thighs spread wider apart. She reached for the dildo and pressed it along the length of my slit, then clicked the little button to start it vibrating. I almost came right then and there! It felt so good, I just moaned and spread my legs wider.

"Watch the movie, Lisa," she whispered. "Imagine you're being fucked by that big, hard cock." She pressed the head of the dildo just barely inside, sliding easily through my slick juices, and started a tiny little fucking motion, slowly working it deeper and deeper until I was completely filled. It was incredible! She found my hard nipple through the fabric of my t-shirt and started sucking on it while she fucked me faster and faster. In minutes, I was coming harder than ever before. Mika slowed down, then started fucking me again, making me cum again before she stopped.

She sucked the wet dildo into her mouth, licking it clean before handing it to me. "Now it's my turn!" We took turns fucking each other all night long, and the next day, bought another dildo for Mika. When our teacher read our review, of course we both got A's!

Tracy & Bridgette

Itold my new best friend Bridget that my boyfriend wanted to try a threesome. "Oh my gosh, have you ever even kissed a girl before?" she gushed as a smile started to grow on her face. I said no, and in a quick move, she was right next to me and her hand was rubbing my thigh. Before I realized what was going on, we were lightly kissing each other's lips. Things got really serious as her hands moved down my belly and she started to tongue my sensitive boobs. I couldn't help it, but a little moan burst from my lips.

We continued to make out in our undies. She felt so good and smelled so great that we started pulling off our clothes and pressing our warm naked teenage flesh against each other. I never thought that pussy could taste so good! We ended up cumming so much that we fell asleep in each other's arms and did it all again when we woke up.

There's nothing like learning things on your own—especially the art of pussy eating!

Boy, do I have a major sweet tooth! For Valentine's Day, my boyfriend gave me a big box of lollipops and a note suggesting that I get to sucking. Of course, he got a BJ that day, but, a few days later I was horny and my boyfriend wasn't around. I was in the mood for some loving and the only thing around was my huge box of tiny cocks on a stick. I decided to try something new, so I slid the cherry-flavored pop up and down my tongue, getting it all nice and wet. Then I teased my clit with the hard edge of the lollipop, before giving it a quick push, sticking the length of it deep inside my cooze. My hungry pussy pulled on the pop as I worked it in and out. I came really hard and covered it with my natural girl juices. Then I pulled the sticky, cum soaked treat from my hole and popped it right into my mouth! Maybe candy is a girl's best friend!

BOO

Ever since I gave my first handjob, I've been obsessed with cocks! I'll jerk off anybody, anywhere, as long I get a mouth full of cream for my efforts. That's my only condition: you must bust in my mouth!

I once jerked off this guy right in the middle of an economics lecture. The lights were low and the professor was droning on with his back to the class, so I passed a note to the hot guy next to me. "Would you like me to suck you off?" was all the note said. In seconds, he whipped out his stiffening prick and I wrapped my manicured hands around his pink tool. After stroking for just a minute I saw some precum form at the tip so I lowered my mouth around his hard-on and he pumped several long jets of tasty cum down my throat. I think the whole back row saw us, but I didn't care. In fact, three guys approached me right after and I took on all three at once in my apartment later that night. Hey, I love dick!

Senior Scrapbook

I was the bridesmaid at my sister's wedding over the summer. Becky was marrying some big shot who came from a lot of money and I couldn't have been happier for her. The reception was a real high class expensive affair. And all of the groomsmen were hot especially the groom's brother Tom.

snatch the folds of her pussy were wet and swollen. As I inched my fingers inside her sex lips closed around them greedily, like a hidden sea creature snapping up unsuspecting prey. I began to move my hand in and out of her tight hole and was immediately awash in her pungent pussy aroma.

Now moving as one we stood up, still kissing. Tara reached behind me and unzipped my dress, which fell to the floor in soft whisper. Then she unfastened her own dress. I pulled my hand from her sweet slit just for an instant, allowing it to fall next to mine.

Tara's body was exquisite; she could easily have a job modeling. Her waist was tiny, just slightly wider than the span of my two hands. Her small, creamy, rose-tipped tits stood high up on her chest, and faster than my accelerated heartbeat I trapped on her nipples between my lips and was sucking at it fervently. Tara opened her mouth and let out a sexy sigh. As I continued my oral assault, her hips began to sway and grind back and forth, as if

I was feeling a little lonely as all single girls do at weddings. I didn't even have a date because my jerk of an ex-boyfriend broke up with me two days before the big event. What a tool! Still, I was missing him and as I sat alone at the table my mind wandered away to the last time we had some hot sex. Drifting away I envisioned the feel of his skin against mine, the thrust of his tongue in and out my pussy, his gentle bites on my tender nipples. Absent-mindedly, I let my hand fall between my thighs and I was slowly caressing my pussy over my dress.

I must have been daydreaming pretty deeply as I nearly jumped out of my skin when I felt a pair of soft hands caress my naked shoulders. It was the groom's sister Tara, and it seemed like she could tell that my mind was on fucking. Purring cooly Tara whispered, "I know what's going on in your head, come and follow me. Let's have some fun together." Intoxicated by this amazing redheaded 20-year-old I took her hand and we made our way into the now empty hospitality suite.

Now I've never been into girls before, not even a little, but if there were one girl I'd want touching me it would be Tara. "You know," she softly sighed, "I've wanted to eat your pussy since the second I laid eyes on you today. Will you let me? I want to fuck your sweet pussy with my tongue. Please, can I eat your pretty pussy?"

Instead of answering her I pulled her to me and kissed her right on her full lips, letting our tongues dance delicately as we kissed. Then I lifted her lovely breasts out of her dress and began to brush my stiff nipples against hers. I slipped my hand beneath her dress and discovered much to my delight that she wasn't wearing any panties. When I made contact with her moist

BRIDES-MADE!

some unseen invisible lover was fucking her from behind.

I took a moment to just stare at her flawless body and smile. Her face was flushed; her eyes were shining wild and hungry. I looked down between her thighs and was treated to the sight of her tender flesh glistening with pearly drops of pussy juice. Quickly I bundled up our dresses and some tablecloths into a little nest and directed her to lie down. She was so beautiful, like a painted nymph come to magical life, that it took my breath away. I lay down next to her, mouth to pussy, and drew my upper leg back so that the path to my pussy was clear.

Instantly Tara's tongue began to lap my throbbing bud and her fingers sought out my wet folds. Guys have eaten me out before, but this was nothing like that. Tara's instincts, her touch, were absolutely thrilling. I began to involuntarily groan, my hips bucking against her face. Her own sweet muff was inches from my mouth its aroma was intoxicating.

Losing my inhibitions by the second I rolled my body on top of hers in a wicked 69, burying my face in the heaven of her tangy sweet scents. I locked my teenage lips around her engorged clit and began to suck and tease her with my tongue. Sucking her pussy like a neglected cock I used all of my talents to taste her juicy snatch. Forming three of my well-manicured fingers into a single digit I tunneled my way into her pink pleasure zone. I knew I was doing something right when Tara gasped and then pushed her hips down on to my invading fingers, then intensified her tongue lashing on my warmed up box.

Tara and I were locked in a race to see who could make the other cum first. Who would win was anyone's guess. Tara worked her one hand like a jackhammer on my hole; as her other hand gripped my asscheek, firmly kneading my butt flesh. I can't say for sure why I did what happened next, but it just felt right at the time.

My mouth was firmly locked around her tasty slit, working my tongue up over and all around her pearl-like clit and my three fingers were busy twirling inside her box. After I greased up my other hand with her sticky slippery sex juice I slipped two fingers up her warm dark asshole. Tremors shot up Tara's spine as her whole body reacted to my backdoor invaders. Tara was going to cum and it was going to be BIG! Her hips began to whip around like a buoy in a summer storm at sea. The muscles of her twat and asshole clenched my fingers in a death like vise grip

and released and tightened in faster and faster contractions. Suddenly a powerful spasm released all that primed energy and Tara's 20-year-old pussy erupted in a wave of girly cum juices.

My own head began to fill with stars, my every nerve stretched out raw and inching toward ecstasy. I felt myself hurtling closer and closer to my own inevitable orgasms, sucked along in a rip tide of irresistible force and sensation. And then it hit me; I buried my face in Tara's pussy mound to stifle my cries of pleasure, tears streaming from my unfocused eyes. For sometime afterward, my body continued to shake and tremble in the aftershocks of true bliss.

Suddenly I realized how very thirsty I was. There was only a lone swallow of champagne left in the bottle from earlier in the celebration. I downed the last gulp and Tara gave me a long hug from behind. After a moment we stood up and started to get dressed, giggling and groping each other as we went along. Tara kissed my breasts and gave them one final parting squeeze before lifting them back into the tight bodice of my gown and zipping me up. Her touch sent an electric pulse straight down my spinal column and into my buzzing pussy. I felt like ripping off her clothes and fucking her all over again. But I knew that if stayed away any longer, people would start talking. Our next encounter would have to wait...hopefully not too long. Tara gave me a toe curling kiss, complete with tongue, that left me knowing that she didn't want to wait too long either. Then she released me from her embrace and retreated back out into the main hall of the reception. I found my way into the ladies rest room for a quick touch up.

I was reapplying my makeup when I ran into my sister in the ladies lounge. When she saw my puffy eyes and flushed face and immediately gave me a hug. "Oh sweetie. I know it must be so hard for you. Your boyfriend is an ass, he doesn't know what eh threw away." Before I could correct her, I just let her keep her assumptions that I was locked in the bathroom crying over some guy. There was no need to recount the amazing sex I just had with her sister-in-law.

"Say, I should introduce you to Tara. She just lost her boyfriend too. Maybe you two should hook up and head out some night. I think you two would really hit it off. I can't stand the thought of my sister without some guy around."

Little did Becky know, that as far as I was concerned, Tara and I would be hooking up as much as we possibly could!

Lolli

Lolli is one heck of an employee! Cute, loyal, and horny!

My dormmates think I'm kind of a homebody. I go back home every other weekend, not 'cause I miss it, it's just that I need some pocket cash and working at this paint store is easy and pays well. Besides, the owner has a great porn collection that I discovered in the back behind the semi-gloss. Every time he goes to lunch, I grab a disc, go to his office and slip it into his computer. Lately, he's got all these movies about guys having their cocks rubbed by girl's feet. I can't say why, but it so totally turns me on to think about an older guy spurting his cum all over my just legal piggies. I imagine his face getting all red and sweaty as I stroll my arches and toes up and down his swollen hard cock. Then I tighten up my soles around his prick and he unleashes a wet semen shower all over my feet that I gladly clean up with my tongue. Does all of this foot stuff make me a perv?

Doctor Discovers Pill For Male Enlargement!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!
Doctor Approved Pill For Penis Enlargement up to 5 Inches!
You Will Have These Penis Gains In A Few Weeks!

FEATURED ON 20/20 TELEVISION. SIZE MATTERS. LENGTH AND GIRTH ARE IMPORTANT. LARGER IS MORE DESIRABLE.
THE ORIGINAL AND WORLD'S LARGEST SELLING PENIS ENLARGEMENT PILLS WITH OVER 30 YEARS EXPERIENCE.

HOW DOES PRO+PLUS PILLS WORK FOR YOU?

In what has been described as a miracle, PRO+PLUS PILLS will expand the erectile tissue longer and wider with a larger supply of blood so that you will gain up to 5 inches. **You can make that miracle happen!** You can have the size you always dreamed of with the PRO+PLUS PILL. **WE GUARANTEE IT!**

Just imagine when your sex partner sees how thick and long and hard you are. Men will gasp with envy the first time they see the new you in a locker room, shower or gym. Penetrate deeper and see how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW LONG WILL IT TAKE FOR MY MAXIMUM ENLARGEMENT?

In a couple of weeks the change will be the width and longer lasting erections. After a month or two you will see a change in the length and again you will be thicker and wider. After the third month a very noticeable change, not just in size, but you will look firmer, stronger than you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team, PRO+PLUS PILLS is a powerful natural herbal enlargement formula that increases size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Mangan tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

WHICH FORMULA IS BEST FOR YOU? PRO+PLUS PILLS ADVANCED FORMULA

Our exclusive advanced formula for men with a form of HYPOSPADIAS or small penis since they were young. Size now is less than 6 inches and need a guarantee of accelerated enlargement to reach a much larger size. Can also be used by men larger than 6 inches and need guaranteed maximum enlargement.

PRO+PLUS PILLS ORIGINAL FORMULA

This formula is for men who are now 6 inches or more and want to be guaranteed maximum enlargement. **PRO+PLUS ENLARGEMENT PILLS** are produced to give you a premium quality scientifically formulated product that can help you achieve all of your enlargement goals.

Please see our ingredients and to order at www.proplusmedical.com or www.pluspills.com

OUR 100% MONEY BACK GUARANTEE

IMPORTANT! There are many imitations. If you do not see a 100% MONEY BACK GUARANTEE then you DO NOT have a money back guarantee.

OUR GUARANTEE: If you are not completely satisfied, return the bottle(s) within 2 months and receive a full 100% refund including shipping.

WHAT WILL PRO+PLUS PILLS DO FOR ME?

- ▶ A longer, thicker penis enlargement up to 5 inches or more!
- ▶ A longer and thicker penis even when you are not hard. Because there is more blood flow, your penis 'hangs' larger all day.
- ▶ You will have bigger, harder erections. Because of increased blood flow, your erections grow harder.
- ▶ Erections when you want them. Rock-hard erections every time.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Because you are larger you penetrate more sensitive areas of the woman. It is possible for you to reach the most sensitive area of all, a woman's G-Spot. These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

Manufactured in the USA in high-tech facilities producing thousands of pills and liquids every day and meets the highest standards of purity established by the National Research Council, United States Pharmacopeia, National Formulary and the Food Chemical Codex.

Staci & Jim

Every time I give head, my tight pussy gets so wet it's almost embarrassing! None of the guys I've been with seem to mind, though. They tell me my pussy is like a fountain! I know it's weird, but it turns me on. Whenever I have a hard dick in my mouth I can feel my slit juices soaking my panties, and it makes me extra horny! My new boyfriend loves to fingerbang me just so he can keep sniffing his fingers throughout the day. How gross is that?

A close-up photograph of a person's shaved pubic area. A finger is inserted into the vagina. The skin is light-colored and appears wet. The background is a colorful, abstract pattern.

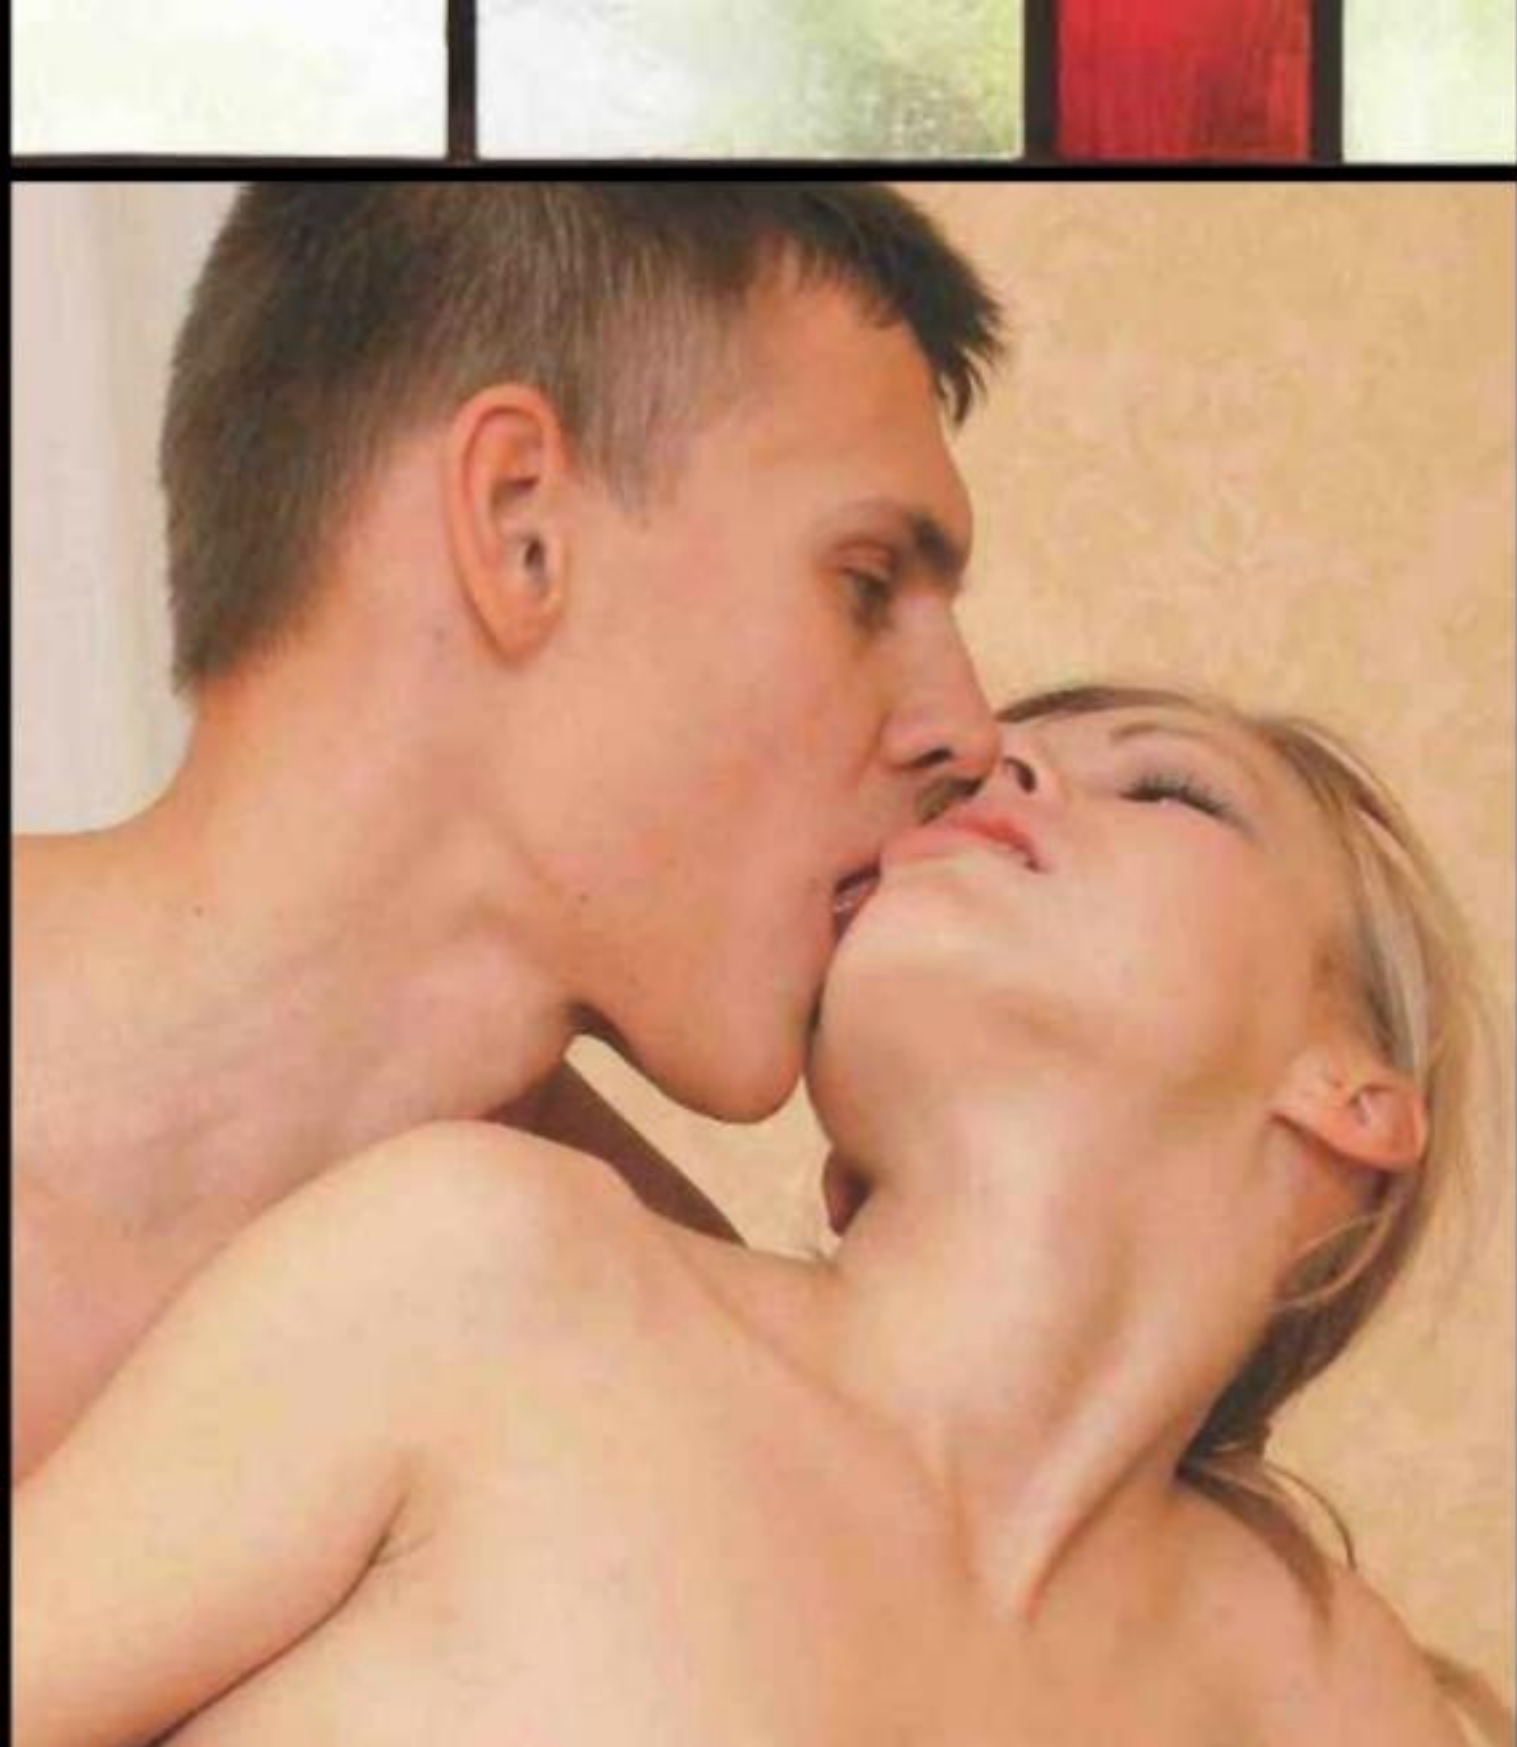

A friend told me that shaving the hair off down there would get me even wetter between my legs. I tried it and it totally looks great—all clean and hair free! Now, my shaved kitty rubs against my panties in just the right way and my cotton undies get extra soaked—even more than ever! It's a win-win for me!

Staci is our favorite kind of slut! Young, wet, and smoking hot!

My boyfriend is the coolest! He introduced me to a great thing: butt sex! At first I was all like, "No way!" No one's putting their thing up there! But, one day he was licking my pussy and he snuck his pinky up my little asshole. I couldn't believe how good it felt! I was all like, "Don't stop!" So, he kept on plunging his finger in and out of my butt until I lost all control of my body and started orgasming all over the place. My whole body shook like a trembling leaf and I let out this total howl. I felt like an animal!

The next time we started fooling around, I had him stick his tongue up my asshole just to see if that felt good too. It did! With his tongue darting all around my tender hole I fingered myself to a quickie orgasm and begged him to fuck my butt. He couldn't get his pants off fast enough! His cock was in there for like, three minutes before he blew his load! I've been an anal fiend even since!

Being young and hot can be a curse! Last winter, my field hockey team was playing in a weekend tournament that required an overnight stay. There was a group of boys from another school at our hotel and some were gorgeous and totally flirting with us. Since we were chaperoned I couldn't bring one back to screw in my room, I had to resort to taking care of myself!

There I was, trying to masturbate silently in my bed when three teammates barged in and caught me two knuckles deep in my slit! With my shirt pulled up exposing my rock hard nipples and sweat all over it was difficult to cover up. The girls didn't seem fazed at all and when two of them started kissing each other, it made me extra horny and I kept watching them as I strummed my clit. A wet mouth clamped around my nipple and my third teammate was sucking my tit as she fingered her own wet hole. Four hot, toned student athletes getting each other off in an out of state hotel room? If only the boys could have seen us then!

teamwork!

Bebe

Bebe is fresh as a daisy! Wanna play with her dripping wet flower?

I have a dirty little secret: I love to spy on girls! My dorm is packed with freshmen girls and someone is always running around half naked. The thing is, all my spy work gives me great ideas! Like, I saw that my suite mate had the most beautiful pussy ever, all shaved and shiny, which made me wonder if mine would be tasty if I shaved, too.

So, I broke out my scissors and razor and started to trim back my soft pubes. With each pass of the razor, I could see more and more of my little pink lips. When I was finished, I was kind of scared. Staring at my naked pussy in front of a mirror was kind of shocking at first, but it definitely made me horny! So, in full view of myself, I spread my legs wide open and started to stroke my freshly shaved pussy. I felt like I was discovering it for the first time all over again! I had the best orgasm of my life writhing around on the floor of my bedroom. I only wonder why I waited so long! Who says spying doesn't lead to good stuff?
